

Daily Schedule for Zone 1

Nov 30th Thur.		Dec 1st Fri.	Dec 2st Sat.	Dec 3st Sun.	Dec 4st Mon.	Dec 5st Tues.	Dec 6st Wed.	Dec 7st Thur.	Dec 8st Fri.	Dec 9st Sat.	Dec 10st Sun.	Dec 11st Mon.	Dec 12st Tues.
Opening Day				Youth&Future Generation Day	Mitigation Day	Technology and Finance Day	Adaptation Day		Cooperation Day	Renewable Energy Day	Digital Transformation Day	Enterprise Day	
09:00-10:15	China Pavilion Opening Ceremony & Ecological Civilization and Beautiful China Practices				China Carbon Market Development and Outlook	Climate Investment and Finance Forum	Strengthen Early Warning Enhance Climate Change Adaptation Capacity		High-Level Forum on South-South Cooperation on Climate Change	Renewable Energy and a New Paradigm for Economic Growth	Digital Economy and Low-Carbon Development	Corporate Net Zero Drive: China's Practice and Global Perspectives	
10:45-12:00	China's Policies and Actions for Responding to Climate Change			Youth Day Global Alliance of Universities on Climate (GAUC)	Methane Abatement of the Oil and Gas Industry - Commitment, Innovation, Challenge and Action	Green Finance and Climate Change Solutions: The Role and Opportunities of Chinese Banking Sector	Strategies and Practices for Urban Climate Change Adaptation				Digital Technology and Artificial Intelligence for Carbon Neutrality	Zero Carbon Technological Innovation Driving Forces and Global Opportunities	
13:00-14:15	Synergies Mechanisms Between Biodiversity Conservation and Tackling Climate Change				Standardization Contributes to Meeting Climate Goals	Carbon Capture, Utilization and Storage Progress in China	The 9th Global Climate Change Think Tank Forum		Strengthening Innovation Cooperation on Green Development for a Low-Carbon, Inclusive and Resilient Future	Global Renewable Energy Prospects and Zero-Carbon China	Digitalization for Carbon Neutrality Standards and Accounting	Accelerating Green Transition, Shaping Low-Carbon Leadership of Chinese Enterprises	
14:45-16:00	From Initiative to Action: Sharing a Green and Low Carbon Life	World Climate Action Summit		Memory of Glaciers: Witness to the Climate Crisis	The Actions of China's Forestry and Grassland Sector to Achieve the Goal of Paris Agreement	New Energy Vehicles and Low-Carbon Transportation	Hong Kong's Drive Towards Green and Sustainable Development and Cutting-Edge Innovations	No Events	Urban Climate Cooperation for a Green and Thriving Urban Future	China-Arab Synergies in Energy Transition and Decarbonization Investments Seminar	Bridge Digital Divide, Build Climate Resilience	Tackling Global Climate Change with Community Actions	Closing Plenary
16:30-17:45	Actions and Progress for Addressing Climate Change and Reducing Pollution and Carbon Emissions in Beijing					Low-Carbon Development, Shenzhen as Pioneer	Shanghai's Practice in Advancing Urban Sustainable Development Through Carbon Markets		Transition of Metal Industry Towards Carbon Neutrality	Clean Energy Development and Application of Green Power Conversion	The Contribution of Construction Industry to the Sustainability	Green and Low-Carbon Transition of the Power Industry	
18:00-19:15	China's Story on Tackling Climate Change & Global Climate Governance in Megacities and Urban Agglomerations			Guangdong's Solutions for Climate Change	Practices of Green and Low-Carbon Development in Jiangsu Province	China's Overseas Green Energy Investment & Green and Just Transition			China-GCC Workshop on Climate Change Implementation Oriented Climate Policy and Action Tentative Programme	Workshop on "Jointly Shaping a Resolute Future for Global Energy Transformation" & Launch of "China Energy Transformation Outlook 2023"	Low-Emission Hydrogen for a Net-Zero Industrial Development	Opportunities and Challenges in A Time of Accelerating Global Energy Transition	

Daily Schedule for Zone 2

	Nov 30th Thur.	Dec 1st Fri.	Dec 2st Sat.	Dec 3st Sun.	Dec 4st Mon.	Dec 5st Tues.	Dec 6st Wed.	Dec 7st Thur.	Dec 8st Fri.	Dec 9st Sat.	Dec 10st Sun.	Dec 11st Mon.	Dec 12st Tues.
	Opening Day			Youth&Future Generation Day	Mitigation Day	Technology and Finance Day	Adaptation Day		Cooperation Day	Renewable Energy Day	Digital Transformation Day	Enterprise Day	
09:00-10:15	Implementation of Just Transition to Promote 2030 SDGs			Intelligent Climate & Eco-Civilization Initiative - Promoting Greater Public Participation in Climate Action	Improving Quality and Efficiency, Energy Saving, and Emission Reduction -- the Choice of Green Development Path for Enterprises	Technology & Creation Drive and Strength Green Supply Chain	Climate and Environmental Prediction on EarthLab		Seminar on "Belt and Road" Green and Low-Carbon Transition	"Hydrogen Strives to Its Fullest, Carbon Foresees the Future" - Narrating China's "Dual Carbon" Tale		The Climate-Trade Nexus and Industrial Decarbonization	
10:45-12:00	Zero-Carbon Energy Prosumerage System as the Solution to a Carbon Free World,and its Socioeconomic Transformation			Public Welfare Communication of Climate Films	Green and Low-Carbon Development in Cities	Global Deep Decarbonization Technology Innovation and International Cooperation	The Ocean for Climate: Ocean Negative Carbon Emissions for Carbon Neutrality		Cases and Practices of Green "Belt and Road"	Wind , Solar, Hydrogen , Energy Storage Event	Progress and Outlook in Energy Transition	Accelerating Low-Carbon Actions, Converging the Social Powers for Climate Change	
12:00-13:00	Documentary Screening and Tea Art Performance : A Journey to United Nations Climate Change Conference			Warm-up Music and Poetry : Promoting Climate Change Education and Youth Action for Global Sustainable Development	Civil Actions Contribute to Climate Solutions Luncheon	Discussion on Guangdong-Hong Kong-Macao Greater Bay Area Energy Transition (Buffet Reception)	Luncheon Meeting for Climate Adaptation and Industrial Low-Carbon Transformation		China Pavilion Live and H5 Interactive Lunch Meeting	Industrial Innovation Supporting Sustainable Development Lunch Party	Synergistic Mechanism between the Plastic Pollution Prevention and Climate Change Buffet	Buffet of Green Power Enterprises	
13:00-14:15	Innovation Leads Development and Contributes to Global Governance ---China's Pollution and Carbon Reduction Policies and Practices	World Climate Action Summit		Promoting Climate Change Education and Youth Action for Global Sustainable Development	Energy Sustainable Development - Dual Control of Energy Consumption to Dual Control of Carbon Emissions	China-ASEAN Cooperation on Energy Transition and Low Carbon Development	Youth's Role in Climate Crisis and Disaster Recovery	No Events	Carbon Neutrality: Chinese Companies are on the Way	CNNC Solutions Devote to the Goal of Net Zero Emissions	Mitigating Plastic Pollution and Climate Change with Bamboo	Building Solar and Green Power Systems	Closing Plenery
14:45-16:00	Stakeholders' Practice and Prospect for Meeting Climate Targets			Women and Climate Change	Green and Low-Carbon Development in Cities	China-ASEAN Mangrove Ecosystem Protection Collaboration	Climate Disaster Relief and Crisis Response		Jointly Address Climate Change - The Power of Environmental Public Welfare and Business Innovation Solutions	Role of Chinese Enterprises in Joint Implementation of the Paris Agreement	International Cooperation Towards Global Energy Transition: A Civil Society Dialogue	Climate Action---The Reduction Technology for Climate Change Goal The SF6 Reduction Technology	
16:30-17:45	Enhancing the Sustainable Development of Canal Cities to Address Climate Change			Women4Climate: Making the World Beautiful	Opportunities and Challenges of Civil Society Organizations Involvement in Local Climate Actions	Low Carbon Development Pathways in Rural Areas	Promoting Harmonious Coexistence Between Humans and Nature by Engaging Multiple Stakeholders				Opportunities for EU-China-Africa Partnerships on Climate Action and Energy Transition		
18:00-19:30	China Pavilion Opening Day Reception & Energy Green Transformation and Youth Innovation			Achieving Multi-wins in Environment, Climate and Economy Through Synergy Co-control of Air Pollution and Climate Change China Pavilion Gathering of Climate Action Network	Working Dinner of Local Dual Carbon	Sustainable Agriculture and Green Supply Chain	Nature's Voice Buffet		Embracing a Green Future - Networking Dinner	Hydrogen Creates the Future:Low - Carbon, Security and Climate Effects	Networking Dinner for Chinese and International Partners	Closing Day Networking Banquet
